OUR PROGRAMS

At the heart of McCurdy Ministries has always been a deep commitment to being a light in the valley. Rooted in this enduring mission, the Family Resource Center focuses on supporting children, youth, and their families throughout the Española Valley. Through compassionate care and practical programming, we strive to offer real, lasting solutions that strengthen families, empower individuals, and build a brighter future for our entire community.

PROJECT CARIÑO

Since 1984, Project Cariño has provided therapy free of charge to McCurdy Ministries and McCurdy Charter School students and their families. We employ two full-time therapists and mentor students from area colleges.

THE LIGHT HOUSE

The Light House is a clothing bank where children and adults of all ages can "shop" for clothing in a way that leaves them with a deep sense of their beloved-ness and value!

AFTER SCHOOL CARE

McCurdy Ministries After School care is a faith-based program for Elementary aged kids. Students experience free play, snacks, homework help, and educational games as well as faith-building arts and crafts, drama, and Bible study.

PRESCHOOL PROGRAM

Our full-day Pre-Kindergarten (Pre-K) program is FREE to parents. The goal of this 5-star program is to provide children with the opportunity to succeed in a place where they can feel love, respect, and confidence.

LEER LITERACY PROGRAM

Reading opens the world to a child. LEER (leh-EHR, to read), aims to improve children's reading proficiency through access to books with vetted and trained caring adults (Reading Buddies) who read one-on-one with elementary students.

CAMP STARS

Camp Stars is a 7-week summer camp for rising 1st – 6th graders, run by McCurdy's LEER Literacy program. This year's camp will run from June 10th - July 24th, with the theme "Deep Dive Into Fun!"
