Dear Family,

Can you believe it is the last week of October????

Where has the time gone?

Our letter Study for this week is the letter "Xx" for Mr. X-Ray.

Along with this newsletter you will receive tonight's home activity.

This coming Friday, the children may come to school in their Halloween costumes. Costumes with weapons are not allowed, leave the weapons at home.

The fall committee has a special morning of fun planned for them☺

November 24-28, 2025- Thanksgiving Break

December 19, 2025- 2nd Parent Event at 9:00am/Cole Community Center

Please remember that beginning in October we welcome parents and grandparents that are willing to come in and share an activity from your family's cultural sheet. You may also come in and read a story to the children and do a seasonal activity. Just let us know ahead of time so we can make the proper accommodations.

On inclement weather days McCurdy Pre-K will follow the McCurdy Charter school schedule, meaning if a 2 hour delay is called for charter, then we also have a 2 hour delay, however, if this happens to fall on a Friday, then school is cancelled as we only have a half day. In case Charter has an in-service, then look for an email from me, or check your local news for closure☺

☺ Outside Our Door! ☺

This week our class will wrap up the theme titled "**My Five Senses.**" Our topic this week is "**We are Detectives.**" We will be focusing on our sense of sight, and on finding patterns. We encourage you to help your child find, recognize and identify patterns in your home and in nature. Our read-a-loud this week is a tale from Kenya titled "**How Zebra got his stripes.**" Ask your child to tell you why zebra has a striped coat.

You can help your child learn more by talking with them about the things that they are doing in school, and the letters, numbers, words that they have learned.

ASK? What did you read today? What was the story about? What patterns do you see around us?

Thank-You*Muchas Gracias!!!**
