**Looking Ahead:**

February 27, 2026- 3<sup>rd</sup> Parent event:

**Kindergarten Transition event:** This event is where I invite principals from surrounding areas where the families of our children have expressed an interest in attending Kindergarten, to come in and speak to us about their program and enrollment procedures, and the "Big School." This is a zoom event that will take place on February 27, 2026, at 6:00 in the evening. I will send out the zoom links on Wednesday February 25<sup>th</sup>.

☺ **Dental Health Awareness!**☺

This week we will be observing Dental Health Awareness Month. We will focus and learn more about our community helper "The Dentist." We will learn about his job, the tools and equipment he uses, about the helpers in his office and the special furniture in a dentist's office. Children are very aware of their teeth at this age. A few of the older five year olds have already begun losing their baby teeth. We will also focus on the importance of tooth care.

**Thank-You\*\*\*Muchas Gracias!!!**

Thank you to all of our families who very generously donated extra items to our class. This week we want to thank:

**Ms. Karlie Trujillo (Luke Trujillo)-** Ice Cream for the class in honor of the letter "l" study

**Ms. Valerie Gallegos (Elias)** Valentine cup and silver heart bracelets for staff.

Your kindness and generosity is very much appreciated.

**Reminders:**

If your child is absent, please provide a written or electronic excuse upon their arrival. Thank you ☺

If you arrive later than 8:30 am you will be considered tardy and be required to obtain a tardy slip from Ms. Eufemia at the McCurdy Ministry Office.

On inclement weather days McCurdy Pre-K will follow the McCurdy Charter school schedule, meaning if a 2 hour delay is called for charter, then we also have a 2 hour delay, however, if this happens to fall on a Friday, then school is cancelled as we only have a half day. In case Charter has an in-service, then look for an email from me, or check your local news for closure☺
