Dear Families,

The temperature is rising and Spring has arrived with Easter not far behind! This week we will be visiting the themes of Spring, and Easter. I have attached a summary of theme goals for both, along with vocabulary and concepts.

To foster concepts of spring at home, save seeds from fruits and plant them. You can also sort the seeds by color and size to develop classification skills.

To establish a sense of family history for Easter, try recalling family Easter celebrations from your childhood and share that with your child, and of course dye some Easter eggs!

Please note there is NO SCHOOL this Friday April 4th and Easter Monday April 6, 2026. See you all on Tuesday April 7, 2026

Thank you to the March Birthday family (**Julia**) for the yummy treat shared with our class last Friday 😊

We also want to thank **Mercedes Martinez (Julia)** for coming in and doing a craft with the children.

Thank you to our friend **Jeremiah** for the awesome souvenirs he brought to the class from his Cabo cruise. Also Thank you **Ms. Jessica (Jeremiah)** for the treasure box items.

Thank you to our friend **Elias and his mom Ms. Valerie** for the snacks last week.

**Home Activities for the week of
March 30-April 3, 2026:**

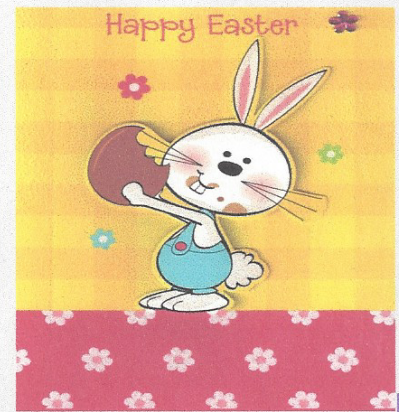

Monday- Sammy Helps Bees

Tuesday- Bring 6 **Boiled** eggs to school so we can color tomorrow

Wednesday- Bring an Easter Basket or bucket to collect eggs tomorrow

Thursday- None

Friday- Have a safe and blessed Easter!

Our class will be doing a tie dye T-shirt project next week. We ask that you please send in a white T-shirt with your child's name on it before this Thursday April 2, 2026. Thank you 😊
